The Government met extraordinarily this Thursday, August 28th, 2014, in the meeting room of the Council of Ministers, at the Government Palace, in Dili, and approved:

1. Government Resolution approving the establishment of a Transition Commission for Oe-Cusse Ambeno

The approval of Law n. 3/2014, from June 18th, establishing the Special Administrative Region of Oe-Cusse Ambeno, implies the need to manage the transition of responsibilities at the different levels of the administration of the territory. Likewise, it is necessary to formally structure the relationship between the Authority of the Region, recently established, and the central bodies of the Administration, particularly, the Government.

Therefore, this diploma establishes a transitory entity, in order to manage the transference of responsibilities that integrates members of the Government and members of the Authority of Oe-Cusse Ambeno, as well as elements from Central and District Administration and from the workgroup for pre-deconcentration.
