

Getting your workplace ready for #COVID19

Surfaces (like desks, tables) and objects (like telephones, keyboards) should be wiped with disinfectant regularly

Getting your workplace ready for #COVID19

Promote good respiratory hygiene. Ensure that surgical face masks and/or paper tissues are available at your workplaces for those who develop a runny nose or cough at work – along with closed bins for hygienic disposal of them.

Getting your workplace ready for #COVID19

- Keep workplaces clean and hygienic
- Promote regular and thorough hand washing
- Promote good respiratory hygiene
- Consult national travel advice before going on business travel
- Advise those who are sick to stay home
