The Millennium Challenge Account/CDT Timor-Leste has received financing from the Millennium Challenge Corporation toward the cost of the development and facilitation of implementation of a Millennium Challenge Compact with Timor Leste , and intends to apply part of the proceeds toward payments under the contract for Procurement Consultant.

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

MCA/CDT Timor-Leste now invites qualifications from eligible consultants for providing the consultant services of a Procurement Consultant.

Bidding will be conducted through the selection of Individual Consultants procedures as specified in the MCC Program Procurement Guidelines (PPG), and is open to all eligible bidders or consultants as defined in the PPG.

The Request for Applications (RFA) may be obtained by interested eligible bidders upon the submission of a request via email to: Infocdtimorleste@gmail.com

Deadline for submission of qualifications is 31st of May 2022. All qualifications should be submitted electronically using the instructions in the RFA.
