**Logo Design Contest**

**Background**

The United States of America, acting through the Millennium Challenge Corporation (“MCC”), and the Government of Timor-Leste (the “Government”) are working together to develop a Millennium Challenge Compact to help facilitate poverty reduction through economic growth in Timor-Leste. To support this effort, MCC has entered into a Grant and Implementation Agreement with the Government of Timor-Leste in the amount of US\$484 million (US\$ 420 million will be provided by the MCC and the Government of Timor-Leste will contribute US\$ 64 million).

In order to facilitate and manage the implementation of the MCC Compact program, the Government of Timor-Leste has formed a public Institute named the Millennium Challenge Account Timor-Leste, Instituto Publico (MCA-TL, IP). According to the decree law Nu. 46/2023 (Decreto-Lei N.º 46/2023 de 28 de Julho), the MCA-TL, IP operates under the office of Prime Minister in order to manage Compact implementation for five years periods of time. The Compact **Project’s primary objectives are:**

**WATER, SANITATION AND DRENAGE (WSD) PROJECT:**

The **problem** is high levels of fecal pathogens in water resources and the environment results in frequent and extended incidences of disease among all segments of the population and impairs the development of the country’s human capital.

*The **primary objective** is to reduce fecal pathogens in piped and stored drinking water, groundwater, and the environment.*

**EDUCATION (TALENT) PROJECT:**

This **problem** is a poor-quality education at the secondary and tertiary levels that does not adequately prepare individuals for success either at work or in higher education results in a workforce that lacks skilled labor and prevents the development of the country’s human capital.

*The **primary objective** of the proposed project is to improve student learning outcomes.*

This logo design competition invites Timorese youth and community to participate in designing the MCA-TL, IP logo which reflects Timorese aspiration, engagement and the active participation in future implementation of the compact program.

**Official Rules**

The logo will be used to implement MCA-TL, IP’s communication strategy in all media – including online, print, on merchandise and other visual collateral. MCA-TL, IP needs a visual brand which is the compilation of a logo, brand name, slogan and colors. MCA-TL, IP logos are strictly regulated according to MCC standards and requirements. It should be noted that the Timor-Leste compact is designed to describe the purpose of the compact. The main standards and requirements for logo design are as follows:

- A black outer circle,
- The expression “Millennium Challenge Account”,
- Country name "Timor-Leste".
- The American flag, appearing on the right, and
- The flag of Timor-Leste, appearing on the left,
- The logo must include one or more additional symbol or symbols easily recognizable by the Timorese populations, representing the program, the activities, mission, or the values of the Compact and must appear inside the white circular area.
- Complete the official entry form (Contestant Registration Form Attached)
